Australia

Corporate Volunteering Program

Birth Kit Foundation Australia (BKFA) is an Australian for-purpose organisation, dedicated to providing a clean and safe birthing environment for women in developing countries, with the goal of eliminating maternal and newborn death and disease at the time of birth.

Through our birthing kit assembly program, BKFA offers a unique, hands-on volunteer experience for workplace teams, and the opportunity for them to make a positive global impact.

Employees will gain an understanding of the health challenges women in developing countries face when giving birth to their babies and the opportunity to reflect and act on behalf of those less fortunate.

Since 2006, BKFA has assembled and distributed over 3 million clean birthing kits worldwide.

BKFA Kit Assembly Days are:

- inclusive and accessible for all staff
- an ideal way to meet corporate social responsibility goals
- a meaningful team-building activity
- the perfect end-of-year event that gives back

Why Birthing Kits?

Disposable Delivery Kits are recommended by the World Health Organisation (WHO) as an essential tool for use by birth attendants when a delivery occurs outside of a designated facility, particularly in emergency settings.

There is evidence from around the world demonstrating that these kits prevent childbirth-related infections and also act to improve health outcomes for mothers and babies by removing barriers and supporting mothers to access health services.

In many low-resource settings health facilities are not adequately equipped with clean supplies, so kits can also be used to resource and improve the basic cleanliness of these environments.

A kit contains six essential items endorsed by the World Health Organisation (WHO) to use when a delivery occurs at home.

Items include:

- a biodegradable plastic birthing sheet,
- soap,
- disposable gloves,
- a scalpel blade,
- string cords, and
- gauze.

Items are packed into an environmentally-friendly ziplock bag for distribution.

Get your team involved today!

Pack Kits at an Assembly Day

BKFA provides all kit supplies, promotional materials, and instructions to allow the program to be delivered at your location Australia-wide, over a 2+ hour hands-on activity.

Kit components are supplied in minimum quantities of 200 and current pricing is available on our website.

Your organisation may choose to cover this cost as a donation, or you may incorporate a fundraising challenge for your team.

Fundraising prior to the event is made easy via our MyCause online portal, providing tax-deductible receipts.

General Fundraising

BKFA is a registered charity, and gratefully accepts donations to support our kit distribution program and community development projects.

If an Assembly Day isn't suitable for your workplace, you may wish to simply fundraise in recognition of significant days such as International Women's Day, World Health Day or International Day of Charity.

Money raised will assist us to realise our vision of a world in which all women and girls have access to a clean and safe birth.

Workplace Giving

Invite your staff to learn more about BKFA's workplace giving program or promote BKFA as a charity of choice for your employees.

Registered with Good2Give, a trusted online provider for workplace giving, BKFA has an established workplace giving program including sign-up - an information pack available on request.

All funds donated over \$2 are tax deductible.
